

Device Flow Chart for OverDrive

Step 1

Select your device:

Can't find your device on this list? Check out the Device Resource Center at <http://help.overdrive.com/>

Step 2

What would you like to do?

On all devices with an Internet browser (ie. tablets, smartphones, desktop and laptop computers), eBooks can be viewed using OverDrive Read. Choose "Read in Browser" after checking out a title from the Library's OverDrive website.
